Jin Ah! Don't forget that your bracelet has power
Yes
When you truly feel its name, you can use that power
When this area has opened up, run behind the computer as fast as you can.
Sfx Chu
There'll be an entrance there
Yes?
Sfx Kyaoh

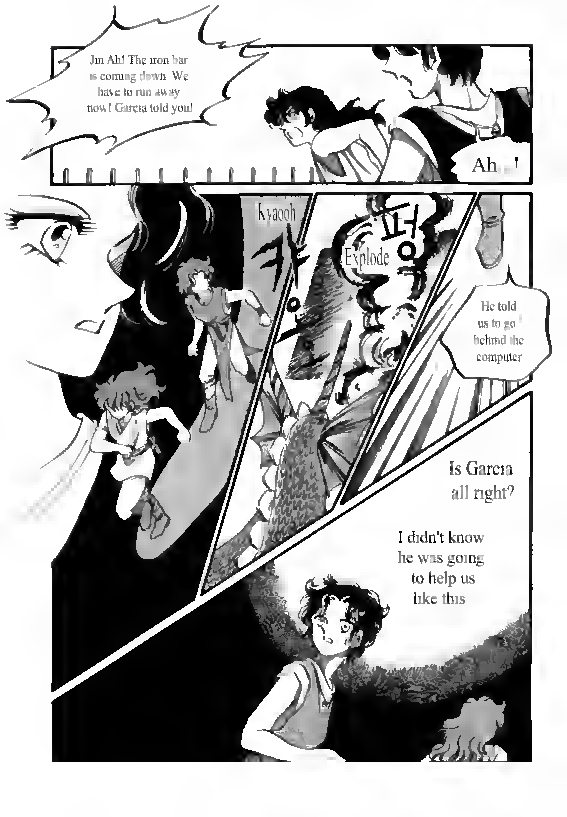
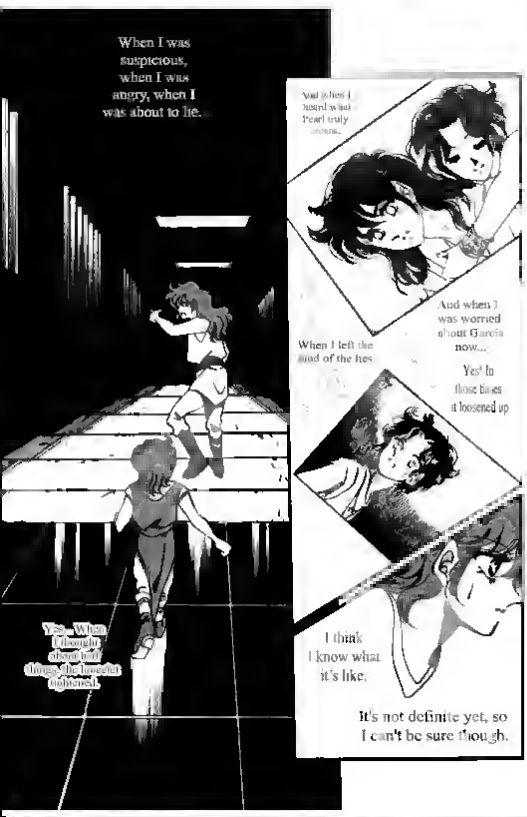
Sfx Kyaanh
Sfx Beep
Sfx Laff
Garcia!



Jin Ah! The iron bar is coming down. We have to run away now! Garcia told you!
Ah...!
Kyaooh
Explode
He told us to go behind the computer
Is Garcia all right?
I didn't know he was going to help us like this

Did he mean behind this place?
There's an entrance... How do we open it?
There should be a button, right?
Let's look for it
The bracelet... Loosened up

You shouldn't care about the bracelet right now
We have to open the door first!
Is that really correct?
I started this journey because of the bracelet
It's here I think this is the one
I kept getting some kind of feeling from the bracelet
"There's a mysterious power in this bracelet other than its name."
When did I get that feeling?
"You have to feel the name of the bracelet."
It's open!



When I was suspicious, when I was angry, when I was about to lie...
Yes... When I thought about how things should be honest.
And when I heard what Pearl truly meant...
And when I was worried about Garcia now...
Yes! In those times it loosened up
When I felt the kind of the lies
I think I know what it's like.
It's not definite yet, so I can't be sure though.

This is the place where the stairs lead to...
It's dark. Can you see anything?
Pearl-2! Look at that! The screen just turned on by itself.
Beep
Beep
Beep
Hello? People who found this place

I'm Doctor
In Gi Seong.
I've to go back to
my real world now, so
I can't talk for long...
If the person who is
wearing the bracelet
watching this,
focus on what I'm
about to say.
This kind of the machines
has been made
because of my false belief
that the convenient power of science is
the best and we should ignore what is
natural and human.
Now I don't have the
time to fix this. I must return to my
land, so I'm leaving this message just
in case another guest who has
the bracelet sees it.
When people
escaped from this land which
I created, I got angry and set up the
computer to find masters. If it can't,
it will self destruct.

What?
Wait-! Listen to it
If that explosion takes place, the whole Mirror Land will be shaken.
To change that order, somebody must become the master of this land and go inside the computer capsule.
Even if that works, this country will continue to become more dangerous.
The Computer was behaving strange even before I left. It'll try to brainwash the human using my thoughts and some others.
What...?

So this is the only choice! The alien traveller who has the bracelet
Should become the master of the computer and find out the prime of the bracelet
For me! I'll be the master!
Then you can erase the computer
I hope the people who wears the bracelet sees this. I am sending this message to Garcia too.

Sfx: ...plode
It's the scene from outside! Garcia is being attacked.
We should run away instead
How can I do it all of a sudden now?
Can you find out the name Jin Ah?!
If I knew I would've taken it off already
Sfx: Mo
But we must find it out now!
Sfx: Mo ve

~?! Pearl! Look behind you!
What? Wah?
Uwaa!
I know! They re trying to put me inside the capsule
?!
Pearl
The computer just noticed that message Now it s trying to make me the master because I don t have the bracelet and its power

Sa. it s trying to brainwash and destroy the Mirrored land
If it s a computer who can judge things like that
This is a program which set out to fail from the beginning
In Ah! Think of the name now!
B-but, in this situation
Sh. Swing

Pearl~!
He's been wounded. He's been wounded. He's bleeding.
We can't put him inside the capsule now.
He needs to be treated. He needs to be treated
What are you doing, Pearl?!

Pearl!
What if you die ...?
I won't die from something like this! Now it's going according to our plan
And I'm not – A good human !! I'm brainwashed...
If someone like me becomes the master of this place this land will become scarier
Jin Ah! You must go in.
No... No.
Pearl Pearl is a good person
Absolutely...

Absolutely...

But the computer is trying to treat me
You should go inside that capsule now.
Yeah.
But how do I open it?
It's too high. And it should be open so I can go in.
Push any button!
Which is what...?
Sfx. Explode
Kyah!

No! The computer is rejecting me
When I stepped near you, it stopped attacking.
Does it care if you might get hurt?
...
...Is the queen of the jewels here?
If she comes something might be done
Well... We should think about what we should do
...I wanted to call her mother once...

Pearl...
She's cold, but she's the only one I can call mother
I wanted to call her at least once.
...I wanted to feel it.
Can you still not find out the name of the bracelet?
It loosened up again...
But...
I... I don't know...

I am
I am
So
But
Now?
I'm scared, Pearl!
I never thought about the name of the bracelet seriously from the beginning
I just thought that this journey was a fun trip since I entered this land..
But
I didn't want to go home... I didn't want to see mom and dad who got divorced and I didn't want to see Tae Hyung who plays with his mom...
I want to see mom too Dad and Tae Hyung and my school friends... I want to see everybody
I think in the end, I liked everybody ..

And Garcia...
Especially Pearl I think I liked you most
So So don't die, Pearl
I'm not going to die Jin Ah! Not from wounds like this
Sfx: V brate
It's owning the bracelet doesn't hi
She's going to disrupt the treatment
Ah
Srs. Beep
Jin Ah~!

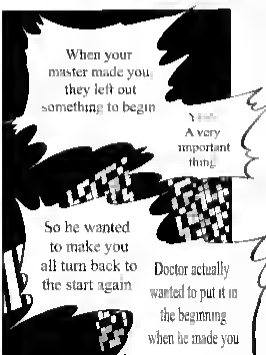
Pearl~!
I know

I think... I know the name of the bracelet

Parents... Friends... Garcia...

And Pearl...

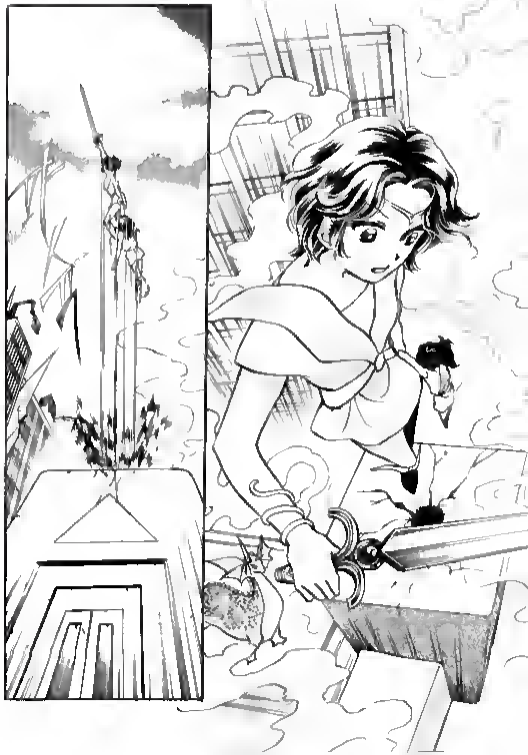
I know



When your master made you, they left out something to begin
A very important thing
So he wanted to make you all turn back to the start again
Doctor actually wanted to put it in the beginning when he made you

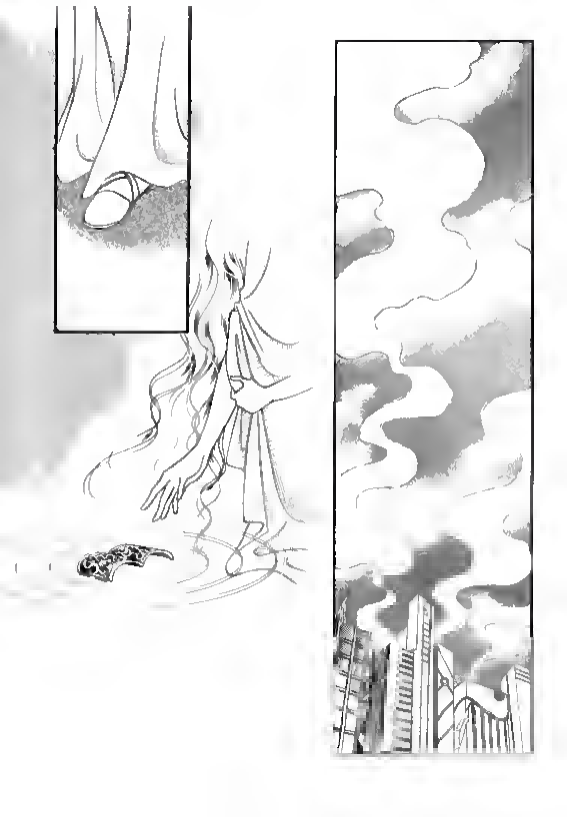
Sfx. Shoot
The name of the bracelet which the doctor found out too late!
That's the heart which loves other people!
Love!
Sfx. Vibrate
Sfx. Beep

Sfx
Change
Sfx
Crash
Attack~
Sfx
Jump
Every attack
system activate!



I can feel the power of the bracelet...!
I m ordering you through the name of the bracelet!
Every power should be gathered to this sword.
And to one place~!
Sfx Explode

Sfx. Fly
It s where the computer is. Something must have happened
Thank god I followed you. If you walked all the way back, everything would have been over by now
Yes..
What is it? That smoke...



Sfx Appeur

You found out the name of the bracelet, Jin Ah!!
Yeah
Pearl?
No! What happened?! Your wound...
Pearl! What did you do?!
My queen...

But I think my life is safe
Look the wound doesn t hurt...
It doesn t hurt at all!
It s the power of the bracelet.
Yes~ the bracelet is the power for peace
Garcia?!
Garcia! Are you hurt?
I m okay too
You know the name of the bracelet If you have it you can get help
Ah ? The bracelet looks just like it used to look before.

When it uses its power, it comes back to its original shape
Wow~ Then the bracelet can be taken off
My queen! Shall I take it from them?
Be quiet!
He doesn't know how to read the mind of his queen
The queen of the jewel! Do you want to have this bracelet?
Aah~ I'm a collector of jewels
So I came personally to find this valuable bracelet
Yes? You said that you want to have the ring of Garcia more than the bracelet.
Shut up!
If you want to wear it on your wrist, I can give it to you

I only collect them I don t mean to wear them
What if I give you my ring as well...?
I ll think about it
My queen!
What! Is that it?
Bracelet > Collect it without wearing it
Ring > A ring to summon Garcia
If he gives her the ring she ll wear the bracelet even if she didn t want to before
But what she is going to do is summon Garcia whenever she wants
You should... Be more honest
What are you thinking about
I am Kisson chocolate.

You didn't have to look for it so hard... I wanted to give you the bracelet from the start.
Hmph... What do you mean?
Anyway
Yes. You n. not hurt much Pearl?
Yes, my queen.
It's good. I can't do nothing about the people who tried to hurt my child
You call them your children but why don't you let them call you mother the queen of jewel?

I'm not their real mother, Garcia!
And I haven't married anybody yet
That's not important! The queen of the jewel!
Anyway I'll do whatever I want
Now, Jin Ah! Come here.
You don't have much time remaining
You took off the bracelet, so you'll get out of this land in one hour
Yes~?

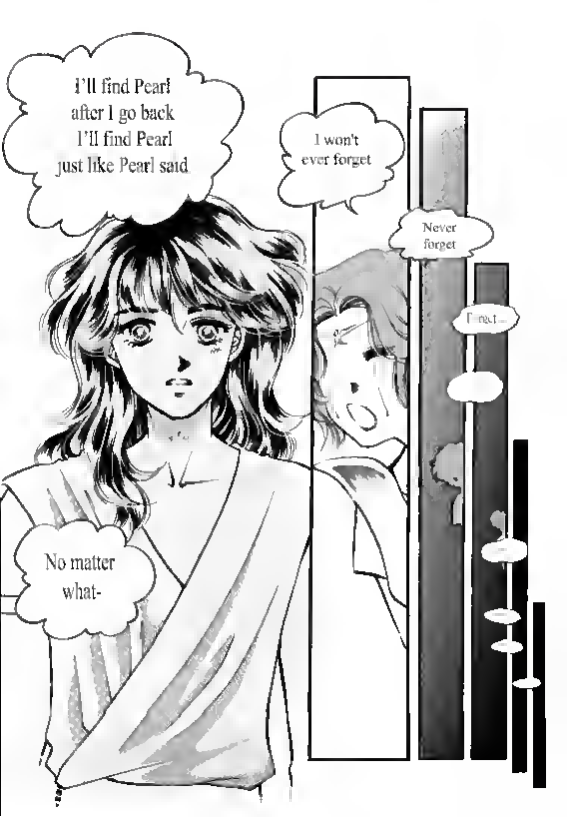
Pearl... I don't want to go
You said that you want to see your mom and dad
It's okay for you. You have people who are waiting for you
But... I do
I Really like Pearl
Really...
Im Ah !
I saw it when he was trying to take care of her
It must be nice. He has a girlfriend.
No, these young kids are doing something that even I can't manage
Listen, Im Ah!

Probably you and me are living in a different world at the same time while living in a same world
So we can meet again
What do you mean?
There's an old tale, but it's something like this
The Mirrored land is the same world as the world outside!
We look different but another me in a different body is living in the mirror
I don't know when we'll meet, but you'll definitely meet me in the outside world.
Like we were fated to be in the Mirrored land
And probably I'll meet you in this Mirrored land sometime too
Somebody who looks like you, no matter what...

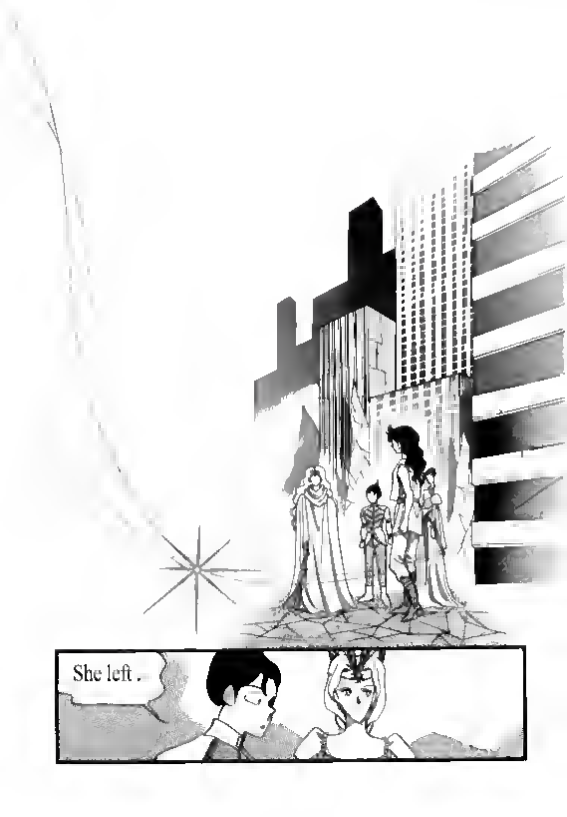
I don't know what you mean ...
But are you sure we'll meet again someday...?
Definitely..
You'll find me in the world outside the mirror
Yes? Garcia!
Trust it, Jin Ah
Ah...
I'm becoming blurred slowly

Good bye
On well, Jin Ah!
Don't forget about
what you
experienced here
I won t forget
Never, never
Never
Pearl and Garcia!
I won't forget
I won't forget too
Goodbye
Jin Ah!

....I won't..
Forget you.
Me,
too...
I will... No
matter what.



I'll find Pearl
after I go back
I'll find Pearl
just like Pearl said
I won't
ever forget
Never
forget
Forget...
No matter
what-



She left .

Now the things are okay in the Mirrored land. I was worried about the computer all the while...
You led us to this land of the machines
You knew how things are like here
Did you realise it?
Pearl~ ! Let's leave now
Yes, my queen!
I'm not used to it yet. So you can call me mother once every three times
If I get used to it, you can consume to call me like that..
Pearl and Jen, both of you.

Yes?
Really?
Yes~
Really
My queen!
My queen
Mother~!
Like this?
Yes
Ah Garcia!
Give me the
bracelet
and the ring
Will you write
the bracelet?
I told you that
I'll think
about it
Don't try to be
over-domineering
because of
the ring

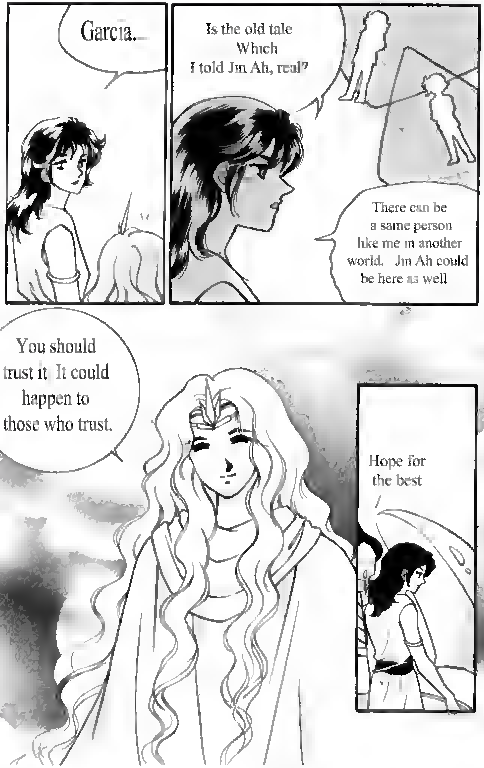
And...
Let's have tea sometime.
We should have something like that because we are both high level fairies

Yes, call me anytime

Hmph~
Can't you call me first?
Let's go, children!

Okay I'll call you.

See you later
Yes
Goodbye



Garcia.
Is the old tale Which I told Jin Ah, real?
There can be a same person like me in another world. Jin Ah could be here as well
You should trust it. It could happen to those who trust.
Hope for the best

Fly

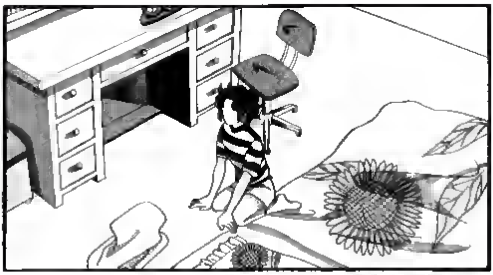
Joy Ah will have a nice dream tonight.

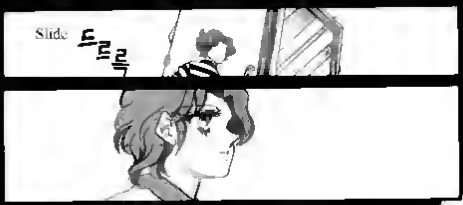


It s my room
Nothing has changed
Only an hour has gone by

Father is not
yet home

Nothing...
Has been
changed
Nothing

But I
came back
because I
wanted to
I wanted
to see
everybody
Yeah...
Like the
name
of the
bracelet



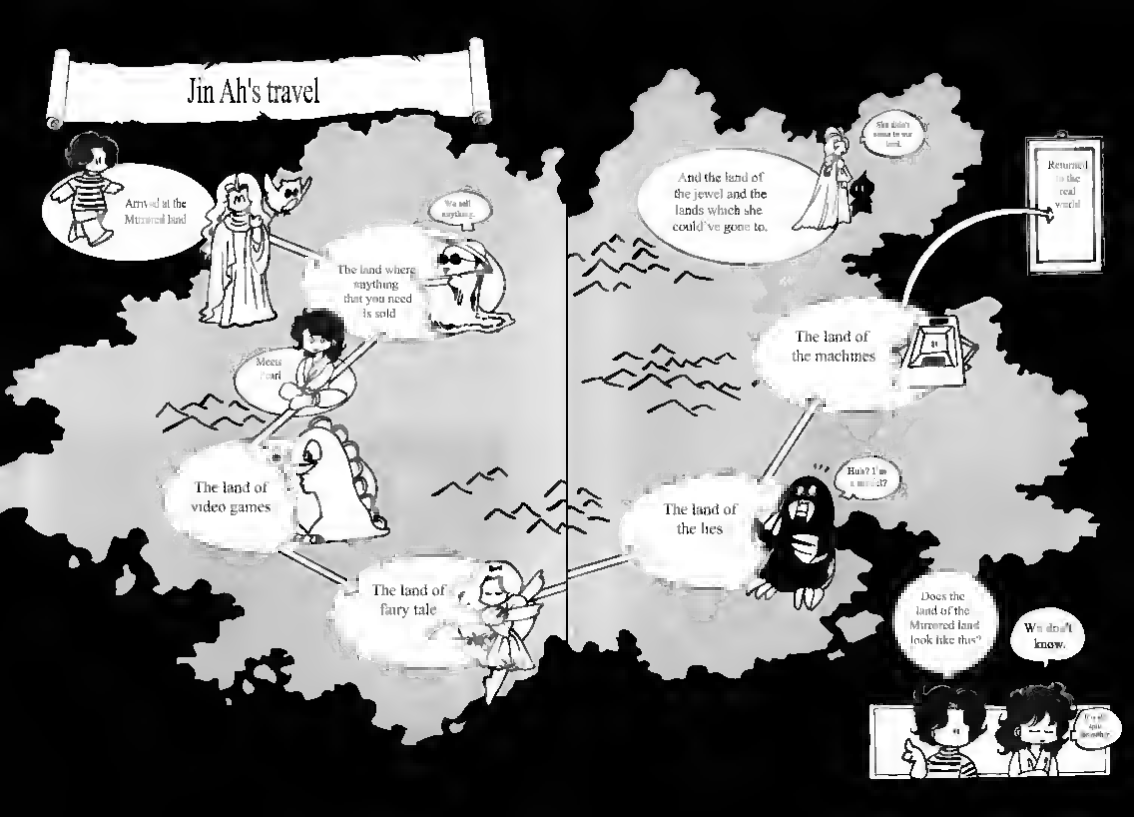
It's like a dream come true which happened at midsummer's night.

Today.. I think I'll dream about Pearl and other people.

Meditating on the name of the bracelet again...

Cheol, Cheol, what are you doing? You should sleep now
You must go to school tomorrow
Yes-
But I can't sleep

I'm looking forward to meeting new friends because I'm going to transfer into a new school tomorrow
No... Jin Ah.. If you sleep like that you'll catch a cold.
Dad...



Jin Ah's travel
Arrived at the Mirrored land
We sell anything.
The land where anything that you need is sold
Meeee too!
The land of video games
The land of fairy tale
The land of the lies
Huh? I'm a mirror?
The land of the machines
And the land of the jewel and the lands which she could've gone to.
She didn't come to our land.
Returned to the real world
Does the land of the Mirrored land look like this?
We don't know.
It's all quiet here.
